

# Red

With your group, fill in your top Red and Green Lines in the spaces below. If you run out of room, use the back of this page.

Notetaker's Name: Helen  
Presenter's name: Tyson

## Green Lines

- more & better public transit, separate bike lanes. long-distance  
improve infrastructure  
explore  
city planners to incorporate in new developments.
- co-operative agenda (not political, not polarizing, not divisive)
- avoiding non-renewable energy sources
- govt. support for green industries.
  - training/retraining workers
  - setting targets & incentives for companies & start-ups
- increasing affordable housing in urban areas.
  - protect farmland, food security, local food.
  - promote densification: increase localization live work, shop, play
- set more ambitious targets & provide clear incentives
- do not re-invent the wheel: learn from countries more environmentally advanced than ours.
- expose companies that are not environmentally conscious = ethical report card

## Red Lines

- no violence

- idle activity in your vehicle
