

Blue

With your group, fill in your top Red and Green Lines in the spaces below. If you run out of room, use the back of this page.

Notetaker's Name: LYNELL ANDERSON

Presenter's name: _____

public policy

- transition is funded through progressive taxes Questions
(incl. corporations pays fair share)

Green Lines

- stronger standards ~~as~~ for LNG extraction (eg. living red cars)
- reduced releases over time on 'dirty' transportation (cars)
- ② - ~~improved~~ significant & sustained investment in public transit infrastructure
- help ~~against~~ advancing policies that allow people to work, live & play within walking distance.
- moving away from a growth-oriented economy, including sustainable population ~~target~~ with socially responsible immigration
- consider new opportunities to retrofit fuel-based cars to electric cars.

SMART goals

→ replace 'realistic' with big, audacious goals

* meaningful, respectful engagement with Indigenous peoples & other different

world demographic engagement

Red Lines

- ① - any expansion of production & distribution of crude oil
- ~~move away from oil~~
- using violence as a tool to achieve our goals
- funding sources to advance the New Deal movement are not compromised. The advocacy.
